LANG ARC

International Workshop on Digital Language Archives

2nd International Workshop on Digital Language Archives

This workshop held as part of the IEEE/ACM Joint Conference on Digital Libraries 2023 conference seeks to address a growing need. It will explore a broad scope of issues related to digital language archives -- digital libraries that preserve and provide online access to language materials.

June 30, 2023

Workshop will consist of 2 sessions:

8:00 am to 11:30 am (CST) *and* **6:00 pm to 9:00 pm (CST)**
